Electronic Recycling

By State law, effective January 1, 2012, the following items will be banned from landfills and will no longer be picked up by NuWay:

Personal computers	Copy/fax/scanner machines
Laptops	Televisions
Monitors	VCR, DVD, and laser disc players
Keyboards	Portable radio/CD players
Electronic mice	Speakers/stereo systems
Modems	CB/two-way radios
Hard drives	Digital clocks
CD ROM/zip/tape drives	CDs, DVDs, floppies, etc.
Cords & cables	UPS (battery backups)
Adding machines	Printers (laser, ink jet, dot matrix, etc.)
Postage machines	Cameras (film, magnetic tape, digital)
Calculators	String lights (holiday lights on wires)
Paper shredders	Palm organizers/hand-held games
Telephones/cell phones	Video game players
Answering machines	Joysticks/game controls
Microwaves	Typewriters/word processors

Mokena and Will County residents have the option of calling VintageTechRecyclers of Romeoville (www.vintagetechrecyclers.com / 877-540-7269 or 866-631-1707) to arrange for the free collection of up to 10 of items (by appointment only). In order to qualify for the free collection, a resident must have at least one computer or another large item included when making the appointment.

Mokena residents may also utilize the existing electronic recycling drop-off site located at the Ken Heim Maintenance Facility, 19004 Wolf Road in Mokena.

Other electronic recyclers operating in the area (which may or may not charge a fee) include the following:
