The **Village of Mokena** currently offers an 'opt out' electric municipal aggregation program to all its residential and qualified small businesses. After a thorough proposal/bid process, Homefield Energy was selected as the new supplier for a contract term extending from July, 2014 to July, 2017. Homefield is an independent seller of power and energy service, and is certified as an Alternative Retail Electricity Supplier by the Illinois Commerce Commission (ICC Docket No. 11-0673).

PROGRAM DETAILS

As an eligible participant, you will be automatically enrolled with Homefield Energy for your power supply. If you do not want to participate in this program, you can choose to opt-out by returning the enclosed card before **May 16, 2014**.

- There are no enrollment or switching fees.
- Rates for the program are **\$0.07031** for the time period **July 2014 to July 2016** and **\$0.06536** for the time period **July 2016 to July 2017**.

As a participant in Mokena's Municipal Electricity Aggregation program, you are expected to save when compared to ComEd's default power supply rate. Information about ComEd's rates and programs can be found at the Illinois Commerce Commission's website (<http://www.pluginillinois.org>).

NO CHANGES IN YOUR BILLING

You will continue to receive one monthly bill from ComEd. You will still be eligible for the same programs you are eligible for now through ComEd, such as Budget Billing, payment agreements, and energy efficiency programs. The only change will be in the Electric Supply price on your ComEd bill.

ENROLLMENT PROCESS

Once your account is enrolled, you will receive a confirmation letter from ComEd confirming your "switch" to Homefield Energy. During the month of August, you will receive your first ComEd bill with your new Homefield Energy price. Please see the enclosed Terms and Conditions for additional information.

OPT-OUT INSTRUCTIONS

If you don't wish to participate in Mokena's electrical aggregation program, you can elect to be removed from it by completing and returning the enclosed Opt-Out Card by **May 16, 2014**.

Should you have questions or need additional information about the program or Homefield Energy, please call us at (708) 479-3900 or visit www.mokena.org. Homefield Energy staff are also available from 8:00 am to 7:00 pm Monday through Friday at (866) 694-1262 or via e-mail at HomefieldCustCare@Dynergy.com.

Sincerely,
Village of Mokena

Village of Mokena

Electric Aggregation Program

Frequently Asked Questions

What is Municipal Aggregation?

Illinois law allows municipalities to negotiate the purchase price of electricity on behalf of residential and small business utility customers living within their borders. While those governmental entities choosing community aggregation are responsible for negotiating the price of power from a supplier other than ComEd, ComEd is still responsible for delivering that power to your home and billing you for it.

How can I get more information about Mokena's aggregation program?

Call the Mokena Village Hall at (708) 479-3900. Additional resources are available at www.mokena.org.

Eligibility and Enrollment

Who is eligible to participate?

Residential and qualifying small business customers located within Mokena's corporate boundaries may participate. Customers enrolled in real time pricing, Power Smart Pricing, space electric heat rate, or whom are already being served by another alternative retail supplier may not be eligible.

How do I enroll?

It's simple. It's automatic. Unless you "opt-out" of the program, your account will be enrolled in the program. Within the next month or so, you will receive a "switch" letter from ComEd confirming your enrollment with Homefield Energy. If you are a current participant in Mokena's aggregation program with Integrys Energy Services, Inc., there is no need to re-enroll. If you are currently receiving your power supply from ComEd, there is nothing you need to do in order for your account to be enrolled with Homefield.

Do I have to participate in the program?

No. You may "opt-out" by returning the enclosed Opt-Out card by the deadline date. If you choose to opt-out, your account will remain with ComEd at the prevailing ComEd power supply rate.

What if I decide to opt-out after the opt-out deadlines have passed?

You may opt out at any time by calling Homefield's toll-free number (866-694-1262) or by sending Homefield an e-mail (HomefieldCustCare@Dynergy.com).

Rate and Term Information

What if ComEd rates decrease?

If at any time during the term of this Agreement, ComEd's price falls lower than the Homefield Energy price, the Village of Mokena has the option to return your account to ComEd without penalty.

Why is the price lower in the third year of the program?

Homefield Energy is committed to offering the lowest possible price to participants in municipal aggregation programs. Cost factors in the power market will change during the third year. Specifically, the price Homefield Energy is charged for capacity is significantly lower in year three and is reflected in the price.

What happens at the end of the Agreement term?

At the end of the Agreement term, as defined in the Terms and Conditions, you will have the option of staying with Mokena's aggregation program, returning to ComEd, or entering into an agreement with a new supplier independent of the aggregation program.

Billing and Service Information

Who will bill me for electricity? Will I get two bills?

You will continue to receive one monthly bill from ComEd. The bill will include charges for electricity supplied by Homefield, as well as delivery service charges from ComEd.

Can I still have my payment automatically deducted from my checking account?

Yes, how you pay your bill will not change.

Can I stay on budget billing?

Yes, your budget billing will not be affected by your participation in this program.

Who is responsible for the delivery of power to my home or business?

ComEd will continue to deliver your electricity and will be responsible for maintaining the system that delivers power into your home. As your energy delivery company, they will continue to respond around-the-clock to outages, service calls, and emergencies.

Who do I call to report a power outage or problems with my electric service?

You will continue to call ComEd for power outages, problems with your service, or questions regarding your monthly bill.

ComEd Residential Customers: 800.334.7661

ComEd Business Customers: 800.334.7661

Who do I call if I have questions regarding the Program?

For general questions, call the Mokena Village Hall at (708) 479-3900. Enrollment or technical questions can be directed to Homefield Energy's Customer Care team:

Homefield Energy Customer Care: 866.694.1262
