First Reservation for Clarendale of Mokena Senior Living Community Merits Flowers, Champagne.

Clarendale of Mokena, the area's first all-inclusive senior living community coming Fall of 2015, is proud to announce its first reservation for a residence.

Carol Schultz of Frankfort has reserved a residence at the new community which will offer independent living, assisted living, and memory care all under one roof. Clarendale of Mokena will be located on 12 acres of green space off Wolf Road and Lincoln Highway in the Village of Mokena.

Ryan Carney, Executive Director of Clarendale of Mokena, said Schultz, a widow who has been living in Gateway Village, is looking forward to moving into the new community. "Carol was thrilled to learn about Clarendale of Mokena," he said. "She is ready to be near friends and family, including her son, and just enjoy a more carefree life." She'll be bringing her dog, Sweetie, as well.

As the first person to make a reservation, Schultz received a bouquet of flowers and a bottle of champagne from Bridget Fogarty, Director of Sales and Marketing at Clarendale of Mokena.

Carney says the new senior living community will "offer all-inclusive living on a rental basis, with exceptional services and amenities. Have coffee in the bistro, walk around the nearby wetlands, sit by the fire pit and reminisce, and relax knowing a professional staff will take care of everyday chores," said Carney.

Clarendale of Mokena will offer a total of 156 residences in three different neighborhoods for independent living, assisted living, and memory care. The community will be a joint venture of Ryan Companies US, Inc., and LCS@, a leading provider of high quality senior lifestyle products and services of Des Moines, Iowa. Life Care Services™, An LCS® Company, will manage the community.
