

Garage Sale Request Form

Garage Sale Guidelines

Garage sales are a supported activity and are a common occurrence in Mokena as well as other communities. Residents are requested to follow some simple guidelines required by the Village of Mokena. Residents are required to obtain a permit from the Village prior to holding a garage sale. In obtaining this free permit your sale will automatically be advertised on Cable Channel 6 and on the Village of Mokena Website. Garage sales should not begin before 9:00 am or last beyond 8:00 pm. All garage sales should not extend beyond three consecutive days.

Please do not place advertising signs on utility poles, trees, street light poles or in the public right of way. If found they will be removed by the Village's Public Works or Code Enforcement Staff.

**Only ground signs located on the property of the sale are allowed.
All signs should be removed after sale has closed.**

Only two garage sales per year are allowed on the same premises.
