

"See it. Hear it. Report it."

The Mokena Police Department would like your help in reducing auto burglaries. Remember that the best prevention against thefts from vehicles is to always lock your vehicle and not leave valuables visible. Let's work together in moving the thieves out of Mokena. Don't be a victim and always practice personal safety by knowing your surroundings.

If you do see suspicious activity it is important to report it immediately to the Mokena Police Department by calling 911. If possible get a good description of the thief, his/her clothing, color and make of vehicle and direction of travel. It is not always possible to get a complete vehicle license number. Even a partial License number is helpful. If you are not sure where you are, look for a landmark or a street address on a building.

If you feel uncomfortable about calling the police department, you can report suspicious activity anonymously to the **Crime Stoppers of Will County** by calling **800-212-6734**. You don't have to give your name. An operator will take your information and assign you a code number. If an arrest is made, you can call Crime Stoppers again, provide the code number and a reward will be paid.

Help the Mokena Police Department: Be a Crime Stopper – not a victim. Lock your car – report suspicious activity.

TAKE OUT VALUABLES

LOCK YOUR VEHICLE

CLOSE YOUR WINDOWS & SUN/MOON ROOF

Take out Valuables:

If you can leave your valuables at home do so. Otherwise, take valuables with you rather than leaving them in your vehicle. If you have to leave them in the vehicle place them in your trunk *prior to arriving at your destination*.

Lock your vehicle:

Verify that your vehicle is securely locked before leaving the area. Keyless or remote locking systems can malfunction from a low battery, etc. leaving your vehicle vulnerable. Make sure it's locked! Check the batteries on your remote locking and alarm activation devices on a regular basis.

Close Windows and Sun/Moon Roof:

Windows and sun/moon roof (if equipped) allows thieves a quick and quiet way to enter your vehicle. Even a crack in the window makes a thief's job so much easier. Verify that your vehicle windows are rolled up and the sun/moon roof is closed before leaving the vehicle.
