EMPLOYEE COMPENSATION – June 21, 2021

On August 26, 2011, the Governor signed Senate Bill 1831 (Public Act 97-0609). This act amended the Illinois Open Meetings Act and the Illinois Pension Code and requires additional disclosures to be provided by Illinois public bodies.

Effective January 1, 2012, the Act requires that all Illinois Municipal Retirement Fund (IMRF) employers must post information for each employee having a total compensation package that exceeds \$75,000 per year within six days of approval of a budget.

The Act also provides that any IMRF employer that approves an employee's total compensation package equal to or in excess of \$150,000 per year must post the total compensation package at least six days before approval of the budget.

For the purposes of the Act, "Total Compensation Package" means payment by the employer to the employee for salary, health insurance, a housing allowance, a vehicle allowance, a clothing allowance, bonuses, loans, vacation days granted, and sick days granted. This definition of "Total Compensation Package" includes only items that are paid directly to the employee and not expenses incurred by the employer for the benefit of the employee. Accordingly, expenses such as health insurance premiums and retirement system contributions paid by the Village to agencies or individuals other than the employees would not be included in the computation of the "Total Compensation Package".

However, the Village of Mokena has elected to provide information for all of its employees regardless of salary level. The Village is providing the attached list of employee positions representing an estimate of the "true" Total Compensation, inclusive of such other costs incurred and paid by the Village that benefits the employee. We have attempted to include all employee positions, including those covered by other pension or retirement systems. This report also includes part-time positions where the expected paid hours may reasonably be estimated/projected. The information within this report is on a projected basis for the period of July 1, 2021 through June 30, 2022.

Respectfully submitted,

Barbara A. Damron
Finance Director
Village of Mokena
